

TRIP Information for Dr. Ed Young, Orthodontist

Dr. Ed Young offers a 7% rebate on payments made through WSCS! Please keep in mind that this program runs separately from regular TRIP orders and should not be included with your TRIP order.

Please follow the following guidelines to participate with Dr. Young's TRIP rebate program:

- Make your check out to WSCS TRIP. Please include your tuition account number on your check and **your payment coupon** from Dr. Young's office with your check.
- Payments must be in the West Side Christian School office by 4 pm on the first Tuesday of the month for processing. If your payment is late it will be processed the following month.
- There is a specially marked bin in the WSCS office for Dr. Young. If you send your payment to school with your child, please clearly mark Dr. Young on the envelope.
- Although Dr. Young requests payments by the first of the month, they are graciously allowing us to process the payments by the 15th of the month with no penalty.

If you have any questions, please contact us.
