

GET OUTSIDE NATURE CHALLENGE

It's it amazing that God made this world and everything in it. After you've completed the challenges, parents, email Mrs. Staal, jstaal@wscschristian.org, or tag Janet Staal in a picture you share in your class closed Facebook group. I've got a special surprise I plan to mail to you.

- Create a treasure basket of special rocks. Find a wheelbarrow, basket or truck to put sticks and stones into.
- Use small stones to make a shape.
- Throw a stone in the water and watch the splash and then the ripples spread.

- Find a book about something you did or discovered while outside.
- Build a Backyard Fort and read in it.
- Take a book outside to read.
